PRESIDENT'S REPORT

Hi all,

Well the weather is heating up. Time to start taking off pups and giving our plants a tidy up.

We badly need rain as our tanks are getting low. The next meeting is at the Waites and is a workshop. It should be a great day of learning and fun.

Dale & I are in WA but will be home early September.

a BIT OF WHIMSY

Jeanette does a lot of hand paintings on her pots and shoes!
Barrie uses old tools as decorator items.
Beryl makes interesting art work.

MEETING NEWS

Carryn Sullivan MP was delighted to attend our June meeting and officially present our new equipment. Since then our treasurer Rob has obtained approval to purchase additional items from the savings made on the initial purchases. These include a laminator, camera case and memory card and a speaker system (much needed as we discovered when we first used the projector).

Rebekah Trevor addressed our group and as a result 4 volunteers put together two very impressive novelty displays.

MEMBER NEWS

Sue and Ron Murray's heavenly acres.

Look at this fancy door. It leads to the bush house. Very impressive!

The main bush house!

This is part of the view from the bush house. Yes this is a small part of the back yard! It goes up and over the hill. Sue says she drives up – don't blame her it is steep.
