Alo Alo

Our thanks to Darian for hosting the first meeting at his house. The gardens were certainly a delight, and hearing about all the work he's put in to get them to where they are was amazing. See the photos on the next page.

It was good to see so many members in attendance last month, and thanks to those who donated prizes for the raffle and everyone who bought tickets we had an excellent result. Congratulations to all the winners. As mentioned at the meeting the money from the raffles goes towards buying or replacing equipment necessary to make the club run smoothly, something we can't do without your help.

George Stamatis from Brisbane will be our guest speaker this month, and he will be giving three talks, two before afternoon tea and one after. One will be on "Seed Raising Tillandsias" and the other two will be a surprise, so make sure you come along because he's a very informative speaker.

There's quite a few different sales and shows going on over the next couple of months, so make sure to check out the back page for details.

At both the Orchid Show and our Monster Sale we will be setting up displays of various Bromeliads. Those who are selling will be taking plants along, but to help make the display bigger it would be great if other members could loan some plants to us. It doesn't matter if they're big or small, or whether there's one or ten, every one of them will help make a difference and be greatly appreciated.

Please note that this meeting is on the third Saturday because of the Orchid Show. Several of our members will be selling there, and there will be excellent displays and lots of other stalls, so mark it in your diary.
