

The President

A Christmas message

Another year nearly gone, many wonderful meetings, new members, seeing new Broms and enjoying the company of all at the Club.

The Baileys have also had a great year, the highlight being the sale of Jeffreys Road premises, the only regret was the Broms we left behind.

Many thanks must go to Len & Sheryl Waite, Gary May & Joe Allen, Paul Lancaster, at meeting, these people have contributed much and I feel the info gained by their informative talks, is much better than books etc.

My new & old committees, these people are the backbone of the club, doing club things outside club hours, this can be very time consuming, you know who you are, for your effort many thanks.

Last but not least, our members, your attentive presence at meeting is very gratifying, input is most essential at meeting, this is how we learn, we trust you have taken much away from being a member, and we look forward to 2008.

We wish you all a merry Christmas and may 2008 be all you want it to be.

Norm & Bev Bailey.
